FRYERN FUNTASIA MONDAY 6 MAY 2013

Following the success last year of the 'Fryern Funtasia' village show, the Chandler's Ford Parish Council is once again facilitating this exciting event on the Fryern Recreation Ground on Bank Holiday Monday 6th May 2012 from 12:00pm to 4.30pm.

The Funtasia includes a great many attractions, stalls, rides and 'Its a knock-out' competition with local businesses going head-to-head.

Other attractions include pony rides, go-karts, small gauge railway, spider mountain, circus tent, archery, giant slides, shooting range, an assault course and many others. There will also be stalls of general interest to all and plenty of things to do and see.

Over the last few months we have worked hard with all areas of the community, schools, businesses, community associations and parishioners to create another fantastic day – an opportunity for the community to come together and relax and enjoy a multitude of fun events in the centre of Chandler's Ford.

Chairman of Chandler's Ford Parish Council Margaret Atkinson said,
"One of the main objectives of the Chandler's Ford Parish Council is to work with the community, for the community – and we believe the Fryern Funtasia is fulfilling this objective - but most of all we hope you will have a 'FUNTASTIC' day"

Any funds raised this year will be used for further development of the grounds and garden, as well as supporting other Social and Community Projects throughout the Parish.

For further information please contact the Parish Clerk, Stephen Mursell, on 023 8026 6612 or e-mail at clerk.chandlersford@parish.hants.gov.uk
