CHANDLER'S FORD PARISH COUNCIL MEETING

21 JANUARY 2013

At its meeting last night Chandler's Ford Parish Council agreed not to increase its precept for the third year in succession

Council also recognised that the reserves it has created over the last three years has not only put it into a strong position to be able to proceed with transfer of assets into its control with effect from 1 April 2013 (subject to EBC agreement) but will be adequate to enable Council to make immediate improvements and enhancements to those assets for the benefit of the Parish.

Council is keen for all parishioners to have an active voice in the future of the Parish and is calling a meeting for the public to discuss the benefits of creating either a Neighbourhood Plan or a Parish Plan for the Parish. The meeting is to be held on Monday 11 February at the Dovetail Centre at 7pm.

Chairman: Cllr Margaret Atkinson

Parish Clerk: Steve Mursell
