**4. MATTERS FOR CONSIDERATION HAVING RECEIVED RESPONSES TO PREVIOUS QUESTIONS ASKED: -**

**a. to discuss and agree how to proceed with the provision of additional bench seating on the verges of residential roads within the parish.**

The Chairman commented that a map had been received from EBC and that thought needed to be given to suitable locations. Members were given a copy to take away and map out any other benches. Questions over maintenance and resultant litter picking were asked, and the Clerk was asked to liaise with EBC about process, maintenance etc and process with HCC over highways risks.

**b. to discuss and agree how/if to proceed given consideration to the lack of seconding of the insurance funding for verge planting by Policy and Finance.**

The Chairman commented that he was surprised that doubt was expressed at P&F that, the indicative cost for insurance through his brokers at £280.44 per annum to provide £1M of cover, would probably be insufficient to cover the whole of Chandler's Ford. The Chair of P&F said that she felt responsible for it not being seconded. The Clerk also confirmed that the gaining of quotes was an officer responsibility and that S.O.7(a) applied to the item being re-debated within a 6-month period. An off agenda discussion then took place.

**5. TO AGREE MATTERS TO BE TAKEN TO THE NEXT AGENDA OF THE COMMITTEE**
