EASTLEIGH ACTIVE 2023

Formerly known as Park Sport.

We are pleased to be working with Eastleigh Borough Council again this year to provide a summer programme of affordable, inclusive and accessible activities for children and young people aged 5 to 16. With popular activities such as SkateJam, golf, Nerf Warz, basketball and swimming there is definitely something for everyone. The programme will run from 31st July until 25th August. For details on how to book please visit the EBC website and search for Eastleigh Active.

MESSAGE FROM OUR CHAIRPERSON - *CLLR PETER CHILD*

Firstly, welcome to our July newsletter. Following the Annual Meeting of the Parish Council in May I have been elected as Chairperson for Chandler's Ford Parish Council. I would like to thank Cllr Janet Evans for her hard work across several years as she now steps down. She will be continuing her role as Parish Councillor for Chandler's Ford East along with her involvement in committees as well as local groups.

We have a busy summer ahead of us; during August we have no Council meetings due to holidays, however the Council's work will continue unabated. The many open spaces in our Parish are looking very beautiful at this time of year, due to the hard work of our groundsmen and the Facilities Manager. I hope you have the time to enjoy them, especially the newly planted Jubilee Gardens and the wild flower meadows in Hiltingbury and Fryern Recreation grounds.

NEW BUS SERVICE

Working with Eastleigh Borough Council, Hampshire County Council and Community One, we are proud to have been able to provide much needed funding to secure the replacement bus service taking the place of the old X6/X7. At the time of going to print with this article, the route and timetable were still being determined, however, updates are available via our website and facebook page.

WILDFLOWERS

The wildflower meadows are blooming marvellous, and we are looking forward to seeing the various colours throughout this year. The temporary fencing remained in place until the plants were established to prevent damage to the growing flowers. We are looking forward to seeing everyone's photos and please feel free to share them on our facebook page.
