CHANDLER'S FORD PARISH COUNCIL - ASSET MANAGEMENT COMMITTEE
20 October 2025
Fryern Pavilion 7.00 pm

PRESENT: Councillors Selby (Chair), Child and Duguid.

In attendance: Hilary Blaker (Clerk) and Tomor Beqo (Facilities Manager)

Public Participation: There were three members of the public in attendance.

One member of the public spoke in defence of the recently installed second noticeboard and Site Representative at Ramalley allotments. Expressing his gratitude for the noticeboard and the work of the Site Representative. The question was raised as to why the second noticeboard was to be removed. The Chair of Committee attempted to explain that the original request to install a noticeboard in that location was deemed unsuitable. The Parish Council supported the request for a noticeboard by purchasing and installing one on the side of the communal shed, in June 2025.

It was explained that the installation of the second noticeboard was subsequently undertaken privately and without authorisation in September 2025.

The Chair and Parish Clerk attempted to provide reassurance that the Council were appreciative of the Site Representative and regularly thanked her for her efforts and passion.

The information provided did not satisfy the member of the public who continued to speak over members, and the Parish Clerk. The Chair of Committee attempted to close down further discussion on this matter and the member of the public rose to his feet to signal his intention to leave the meeting.

Following further exchange and in accordance with Standing Order 2, the meeting was called to a close by the Chair. The member of the public left the building.

No further business was transacted with all agenda items being deferred to the next meeting of the Asset Management Committee.

The meeting was closed at 7.15pm.

The next meeting is scheduled for Monday 24 November 2025**,** 7.00pm at Fryern Pavilion.
